Chinese American, Japanese Wife Leave Japan In Makeshift Lifeboat Bound For New York

YOKOHAMA — An American [illegible] employee and his Japanese wife set sail from Yokohama last week on an adventurous [illegible] voyage to New York via the Mediterranean Sea.

William Eng, 42-year-old American of Chinese ancestry, amidst cheers of well-wishers and his wife Keiko departed on their 9½-ton yacht Chico.

The former U.S. Security Forces civilian photographer hopes to complete the long journey in two years.

The Engs plan to stop at Okinawa, Formosa, Manila and Singapore before crossing the Indian ocean to the Suez Canal where they will enter the Mediterranean Sea.

Altogether they plan to visit more than 30 ports in 12 countries.

The two-masted Chico measuring only 30 feet long and 10 feet wide, was converted into a yacht from a lifeboat. The vessel is powered by a 10-horse power auxiliary engine.

Mr. and Mrs. Eng, married six years, left their 18-month-old daughter with Mrs. Eng's mother in Japan, promising to return for the child by the time she is four.

TRIP FULFILLS BOYHOOD DREAM

'Give Japanese Open Door To Canada' -- Essay Winner

TORONTO — A 29-year-old Japanese who used to dream during his boyhood about visiting Canada from looking at postcards given to him by his grandfather, visited Toronto last weekend as part of his Canada tour that meant the realization of his desire.

He is Yoshiro Kobayashi of the Tokyo University's pharmaceutical research laboratory, winner of the essay contest, "Why I Would Like To Go To Canada", sponsored by the Canadian Pacific Airlines and the Motion Picture Distribution Co. of Japan. He arrived in Toronto on May 24 after visiting Vancouver and touring B. C. and the prairie provinces, and he remained for several days before proceeding to Ottawa, Montreal and Quebec City.

When he won the contest over 600 entrants, Kobayashi was given a one-month tour of Canada.

Kobayashi who speaks in halting English and has a preference for using Japanese, told The New Canadian reporter that "people have been kind to me in Canada" and that he had never experienced such treatment in Japan.

"The balance of population in the vast lands of Canada and that of cramped Japan is so lopsided that I think the Japanese should be allowed an open door to Canada and help to develop its resources", he said when pressed as to his chief impressions of Canada.

"After seeing Canada, I just can't imagine how we Japanese live in such a small country", he added.

In his essay which was written in Japanese, Kobayashi said in speaking of the postcards he had received from his late grandfather, "As I grew older I learned that they portrayed sceneries of Canada and that my grandfather was chairman of the Board of Directors of a Canadian Mission School in Japan.

"Ever since that time, Canada has been my ideal country—its rugged beauty and its grandeur always had an enchanting appeal for me. I sincerely believe that my deep attachment for Canada springs from the oft-repeated words of my grandfather about the friendly hands extended by the Canadian Mission over many years toward nurturing the Christian culture in Japan.

Reports On A-Bomb Effects in Nagasaki

LOS ANGELES, Calif. — Dr. James N. Yamazaki, member of the UCLA Medical staff who recently visited Nagasaki, reported on the tragic effect of the Atom bombing on unborn children to the American Association on Mental Deficiency convention last week.

Dr. Yamazaki went to Japan in 1950 under the sponsorship of the United States Atomic Bomb Casualty Commission to determine the radiation effect on pregnant women and their children.

His study of the Nagasaki bombing placed 98 pregnant women among the survivors who were within 2200 yards of the bomb. Of these 30 suffered major radiation injury.

Of these 30 women, seven lost their babies before birth, seven others died in infancy. Of the 16 babies who survived, four showed noticeable mental retardation.

Dr. Yamazaki said the feeble-mindedness can almost certainly be attributed to the atom bomb as nearly all the mothers have since borne normal children.

Japanese Pearl Divers Banned From Working In Australian Waters, Object to Competition

CANBERRA, Australia — Japanese pearl divers were banned from working in Australian waters although they may dive commercially in the Arafura Sea which borders northern Australia and extends to Indonesia.

The broad agreement was reached on the thorny pearl fishing territories problem, announced John McEwen, Australian Minister of Commerce last week.

Opposition to Japanese pearl luggers has been strong. The government objected to repeated violations of Australian territorial waters. Australian pearl fishers objected to the competition.

The Japanese diver is considered the best in the world and is in demand even on Australian boats. Malay and Chinese divers cannot touch them for depth or catch.

Many of the Japanese divers are women who have developed phenomenal lung power and are able to work under water for several minutes. They also seem to take more risks and worry less about sharks, barracuda, and jagged coral which usually surround the pearl beds.

A government representative will be sent by Japan under the agreement to aid Australian observers and make sure that there is no Japanese pearling in Australian waters.

The world's finest pearl beds lie in the Arafura Sea.

NAT'L JCCA PRESENTATION:

By REI NISHIO

'Democracy in Action'

(Miss Nishio of Montreal spent two days in Ottawa with George Tanaka, executive secretary of the National JCCA, on April 30-May 1, in making a representation to the Federal Government on the matter of the re-entry and immigration to Canada of relatives of Japanese Canadians. She is the chairman of the Political Action, Social Welfare and Education Committee of the Quebec JCCA—Ed.)

Winging high above the clouds on the plane to Ottawa, I found that I was the only woman aboard (except for the stewardess) among men carrying bulging brief cases with their heads obviously weighed with grey matter and knowledge, therefore I buried my nose into my notes, banging details into my rebellious brain . . . Category 1, Order-in-council P.C. 10773; Category 2, Order-in-council P.C. 7355; Category 3 . . . ad infinitum . . .

I ignored the shafts of broken sunlight slanting through the heavy clouds and dwelled upon my mission . . . From the bottom of the pyramid of government had come requests for assistance in seeking the return of Japanese Canadian strandees. These individual demands were gradually routed to the National JCCA and things came to a head at the National Conference in Easter when it was decided to renew our representation to Ottawa. Thus, I, an ordinary Nisei, was selected to accompany George Tanaka who already knew the tricks of the trade.

If any of the other occupants of the plane were salesmen, their technique was not dissimilar to what we had to follow. They had goods to sell—and so did we, for we had to convince not only the Minister of Citizenship and Immigration, but also others who by their conviction could demand and persist until the idea was accepted.

We, as Canadians, were representing a segment of the country's citizens seeking [illegible] for privileges rightfully [illegible]. The government [illegible] be aware of everything [illegible] ing, we were there [illegible]. Are they not our servants?

Then, the plane [illegible] glided into the airport [illegible] my jumbled thoughts.

Youthful Looking

One of our first visits was to Hon. Walter Harris, Minister of Citizenship and Immigration. We waited in the narrow outside office until he ushered us in, closing the double doors behind us, sealing our conversation.

My bad habit of stereotyping had pictured the minister to be well past middle age, but no, surprisingly he was youthful looking, with straw-colored hair, a smile touched with a boyish grin and bore his weight and height well.

His office had an excellent view overlooking the main front garden of the Parliament grounds. It seemed, however, that we were not the only one to be a little late with spring cleaning. His windows were dusty!

Exhausting Work

Our mission was not half as calm and smooth as one might suppose. We drove up and down the elevator the operator almost ready to hand the job over to us—knocking on the door of M.P.'s, keeping our hawk eyes out to catch them if they should drift by. Not to leave a stone unturned, we went up to the press gallery where newspapers across Canada are represented, and gave the whole story of the brief. Our running back and forth from the Parliament Buildings to the hotel wore out my shoe-leather, if not the soles of my feet.

Articles in the newspapers do not appear by luck! That I found out. We phoned up the city editor of the Ottawa Citizen enquiring whether we could speak about the brief. The city editor was a short fat man just like the type you see in the comics, his hat perched on the back of his head. George explained carefully the details of the problems, and the next day, there it was—for M.P.'s, senators, and other officials to read; and it was another pressure brought to bear on the Minister.

Persistent Salesman

I don't know how many times George presented that brief. Any [illegible] in the conversation and Geo. would break in, bringing us back onto the topic. That's a good salesman! Persistent and plugging for the cause until he was practically blue in the face. And we had to smile and be courteous until our faces practically caved in.

How does one picture Senator C. Wilson, chairman of the Senate Committee on Immigration and Labour? Some old and bent man with grey hair, peering at you with his eyes of wisdom and experience? I was fooled for "he" was a woman with a lot of charm who phoned up a couple of senators to introduce to us so that we could kill two birds with one stone. That's co-operation!

Senator Angus MacInnis was most impressive. Slightly bent, he seemed like a student of life and he had very sensitive lips. He didn't make any special effort to look at you when conversing; instead, he seemed to be creating images in his mind as he talked, attaching to his spoken words, a visual reality.

Attendants Helpful

Attendants and guards in the Parliament Buildings were more helpful than hotel service. We paused in the Senate house for a moment, and before we could utter a word, the attendant ushered us to a seat, explaining the history and customs of the Senate. The guard at the entrance made about six phone calls to reach one of the M.P.'s for us, giving us his personal phone number at the end. They convey to you the feeling that you, the common man, has an important message that the M.P.'s ought to hear.

This was democracy in action. **We are an important part of that democracy and the JCCA has been actively serving the country to bring the ideal a little closer to reality.**

ESSAY WINNER

(cont'd from P. 1)

"Since the termination of the war, we Japanese have become well acquainted with U.S. customs and the country itself but I am afraid the same cannot be said about Canada. We do know, however, the country so blessed in natural resources and its beauty, as a rising nation in all fields of industry, I want to have a first hand knowledge of its wonderful people and industries.

"Whatever impressions and inspiration I shall receive in the course of my trip shall be of utmost value to me and shall be firmly implanted in my memory and I hope I may bring this message to all my friends.

"It will be a source of much happiness for me if through my trip I may render my bit toward furthering the mutual understanding and goodwill between Canada and Japan, and become one of the links of the chain connecting the two countries."

Following his tour of Quebec, Kobayashi will return to Vancouver and then to Tokyo aboard the C.P.A.

baiting the bull

by t.m.k.

The inconsistencies prevalent in the world today result in a tragic denial of the basic principles of liberty. So confused is our understanding of what is basic, that we commit these inconsistencies in the name of freedom and democracy. Newspapers report many an incident that illustrate this madness.

Take the recent instance of England, that bastion of freedom and royalty, welcoming with official benignity, Tito the Communist who takes away freedom and unseats royalty. Take the recent instance of supposedly loyal Canadians affirming their allegiance, midst much publicity, to an Idea which is positively inimical to the democratic framework of Canada. Take the instance of a Christian minister, well-known for his good works, crying out with real earnestly that since Christ goes along with Communists, he would too; and confusing the particular with the general, he would allow the propagation of Communism, which is essentially atheistic, anti-Christ, by countenancing it in his church. Take the general public ignorance of the scope of free speech, fair play, democratic rights, etc., about which deceptive clichés are numerous.

These are times to chill the blood of even the most amateur student of history.

During these last few decades, a titanic struggle has been shaping up, and now all the writing is on the wall: the valiant who are for God face the terrible hordes of those who are against God. Many of you readers will not accept this statement, beause you still think in terms of nations and politics, of peoples and geographical areas, of trade balances, of power balances. Cynicism blinds you to the basic struggle. Why? Because those who are for God, who would be for God, if they knew what that meant, and if they could recognize who and what are against God, have not been taught well enough to differentiate between friend and foe. Since the word, God, is not exclusive to Christianity, the concept contained holds true for all who believe in the transcendent Supreme Being. However, it is in Christianity that the truths of God are most clearly and exactly defined. If you cannot get the connection between the Korean war, the Mau Mau terrorism, the Yugoslav conscription laws, you cannot recognize the real enemy; but if you see the same pattern in all of them, then you will know that these trouble spots, these boils as it were, are from the same cause, the same disease.

Apathy, inertia, indifference, are about to be violently awakened. Any of the Nisei old enough to remember the silent Valentino picture, "The Four Horsemen of the Apocalypse", might remember the ghastly riders, War, Conquest, Pestilence, Death. The squeamish will call me a scaremonger, but when they wake to the personal danger, will probably squeal in panic.

There are people who champion evil with the mistaken sense of thus serving God. These are the very people who would deny this charge furiously, for in their blindness they cannot see what they do, and what comfort this is to the enemy! They are the leaks in the dike they think they are defending. They love to hear about freedom, justice, democracy, and they detest slavery, injustice, tyranny, but their understanding is incomplete, for they cannot define exactly, nor qualify precisely, the first three concepts to which the three antitheses have no claim whatsoever. Yet you will find good solid citizens, who think they are good patriots and Christians, getting their hackles up to defend the propagation of slavery, injustice, and tyranny. "The evil they would not, that they do."

The evil today appears under the guise of concern for the undertrodden, and is called Communism. The word by itself, separated from its present reality, sounds like a good thing, but when you begin to investigate this reality, then you see the mirage qualities of benevolence lie only in the deluded minds of the uncertain, the lost, the despairing. This illusion has ensnared some of our fine intellects, have captured thousands of the gullible, and enslaved millions. The real champions of Communism are those who thirst for personal power, who haven't the ability to build, who have only the capacity for destruction; its followers are those who think they are the champions of the under-dog; its victims are those betrayed by their own fellows.

The Idea under the title Communism proclaims the [illegible] sovereignty of the state as if it were a deity. The real Communist protagonist knows this deliberate ideology; hence does not [illegible] worship the State, but demands that worship from its followers and victims. However, such is the monstrosity produced that the [illegible] are devoured by their own pawn. When they rejected the [illegible] principles of good to forge a standard that changed with the political weather, when they made the State the measure of morality, and that State dependent on the whim of the last tyrant of a [illegible] of tyrants, when they fostered the cult of a man-made [illegible], they could not keep themselves immune from their own Frankenstein.

Communist doctrine denies the theological God, but substitutes the State as the material deity. Communism denies Capitalism and its attendant monopolies, yet it (the State) is itself the sole monopolist, the last Capitalist. Competition is liquidated. The great [illegible] that the People are the State as it is conceived under communism, is shown up for the Big Lie it is. And in the end, those who [illegible] tend the captivity of Absolute Statism, some willingly, [illegible] [illegible] themselves stripped of their human dignity, [illegible] [illegible] of impersonal digits.

「六人の愛兒をのこして」[illegible]五月三日ゼラルドトンに於て胃の身[illegible]ため永眠した皆木壽太郎氏に代へ、ウォーベッゾの下[illegible]澤氏がマニトバ市協の會報『展望』に載つた如き感謝の言葉をのこして[illegible]はぎこし、手を握り親も愛も[illegible]情けに、目が[illegible]悲しみがすぎる事への[illegible]々にも讀んでいただきたい時載させていただくことにする。

「何といふことでせう」文字[illegible]ここにまさしく頂[illegible]これがミキ・エマ・[illegible]から見侍[illegible]歸る皆木様の霊[illegible]市皆様への感謝で[illegible]

「病[illegible]これがお別れ[illegible]けれど[illegible]生きていたい」

「強[illegible]まで生きて來たと思ふが」

・　・　・

お見送り下さつた皆様へ深[illegible]「表を見せずに別れるのは[illegible]」車に乗る前、笑顔で「有難う存じていますに」と、最後二人握手を手を振つて別れた。

「手を握らせ一男泣きに泣き[illegible]皆木様で[illegible]」重態の身を、濱野様と長男[illegible]道、十五時間の汽車に

長途の旅にもましての良きも見やり翌日正午、二兒に迎えられて四十日振りにわが家に戻り、長男に食事の用意をさせ、最後のディナーのテーブルにつき直ちに入院しました。[illegible]での宮崎様より「次のサンデーに逢夫（ミセス入院後五年前より宮崎様に育てられたる七歳の息子）と出比（ポートアーサーの白人老夫人に育てられたる五歳の末子）を連れて行くから」との電話に、喜んでおきさがわれる様子。二兒は一週二回の面會を許され、面會時には父なき後のことあれこれと語りつくせぬ事ばかり。

「パパはいつでもお前達の身體にそうて見守つて居るから、いつも[illegible]なのだよ。成人して働ける様になつたら、みんな兄弟を次々に集めて皆木の家をたてる様に、兄弟必らず一つに集る様に」と何度も何度も言いきかせるのです。父は英語が十分話せず、子供は五年間も二世の家庭のお世話になり日本語が話せず、まされ勝ちの話を濱野様がとりもつて辛うじて會話をつゞけるといふ、濱野様のお便りに父、私達でした。

五月三日のサンデー、五時頃、ドライヴを續けて宮崎氏夫妻、白人老夫人に連れられて逢夫と出比は病院のパパを訪れました。幼き二兒の健やかに幸福に育つさまを最後に一目見せ「皆木様、この子は立派に一人前に育てますから安心しなさいよ」との言葉に「まあ、これで安心した、ありがたいなあ」と、それより起き上れず、十時半眠るが如く往かれました。

五月六日トロントの見崎様のお便りに「ここへ皆木様が私方へお見えになつた夢をみました。何か變りがなければよいがと案じて居ります」とあつた。只一人遠れて逝くの我が子供佐男を許へ、お頼とお別れに皆木様の霊が行つたに違いありません。

二月初旬發病、ポートアーサーのドクターより胃癌と宣告をうけ、今はたゞ名醫の診斷に最後の望みをかけてウ市に出た皆木様でした。

「三年の命が欲しい、三年したら長男が十八歳で働き出したらこの三人を散らさずにすむ」と只管に願いでした。

ドクターのアポイントメント、エキス・レー、専門醫との交渉、入院、手術と廣瀬氏の奔走ですべて手順よく運ばれましたが、手術の結果は内臓の機能の全部を侵され、ただ榮養注射のみ。「今度たゝねば」との氣力のみが、あの元氣を支えて居たのでしょう。

グレース病院入院五週間、戦前のピッタードウス[illegible]友人の方々は申すに及ばず、皆様[illegible]を知る人も知らぬ人も、みな温かい涙の御同情を寄せて下さつて、マニトバ市協主催皆木様病氣見舞金募集に際しては、開拓史いまだかつてない程の多額なお見舞金を惠まれ、お蔭様でこの上なき十分の療養をすることが出來て、満足この上ないとて、故人も人様の情けにしみじみ感謝して居りました。

「自分もこの病院のベッドで終らなければならないこれまでに[illegible]して下さつたウ市の方々に申しわけないが、どうか子供達に一目逢つて終りたい。ゼラルドトンへ歸りたい」と、皆木様の最後の小さい願いがいれられ、我が家に歸り子供達にとりまかれ、人喚の情に泣きつゝ逝きました。

葬儀はその地の友人、日本人十家族の手で、愛兒育ての親、皆木様が敬愛して居りました宮崎御夫婦に一手に[illegible]まれましたことを、故人は定めし本望でした事でしょう。

五月六日葬儀をすませて歸宅後、子供達からの便りに「ダデーの居ない家の中も、ゼラルドトンも淋しい限りです」とあつた。六人の遺された愛兒の成長を皆木様はいつも見守つて居ることでしょう。

―ブラジルに現れた天皇の特使―

高木俊朗

受難の美名のもとに行われた不敗思想の犠牲となつて永住歸國を志した人々のなかには、永野勘太郎の場合に劣らぬさまざまな悲劇がある。

次の話は、北海道におこつたことである。

日本戦勝を信じる父は、故郷に歸つても敗戦を認めなかつた。父はブラジルに殘してきた子に、財産を處分して引揚げるように命じた。子は歸國してみておどろいた。

「日本は負けているじゃないですか」

「何をいうか、日本は負けたということにしてあるんだ」

父子は毎日言い争つた。子が持ち歸つた金は、じきになくなつてしまつた。子は父にあいそをつかして、別れて、今では炭坑に働いている。

しかし、大部分の永住歸國者は、日本に歸つたことを後悔し、ブラジルにもどることを考える。昨年の暮十二月二十八日、ブラジルからきたオランダ船チチャレンガ號が横濱についた。この船に乗つてきた永住歸國者ケーは、一月六日には、旅行會社に再移住の相談にきている。日本に歸つて、わずか九日目であつた。

ケーは一族三十四名をつれて歸つてきた。彼はすぐ茨城に行き、先發した四家族を訪ねた。ここで、はじめて、悲惨で窮迫な實情を知つた。先發の四家族は、すぐにでもブラジルにもどりたいという。

しかし、ブラジルの土地は賣り拂つたし、持ち歸つた金はもう殘りすくない。彼らは途方にくれていたところであつた。

ケーは正月休みが終るのを待ちかねて、旅行會社にかけつけた。とりあえずケー一人がブラジルにもどつて、四家族のための旅費の調達をし、受け入れの準備をしてきたい、という。

この人々のように、日本の生活の勝手がわからず、新しい仕事にもつけないで、まごまごしているうちに、持ち歸つた金を使い果してしまうという例は少くない。ことに、戦後のインフレを知らないで昔ながらの貨幣價値から抜けきれないために、とんでもない誤算をしている人がある。

同じチチャレンガ號で永住歸國した一人は、信念派のなかでも、さらに狂信強硬であつた。彼は財産を處分した金を、ブラジルのクルゼーロ紙幣で持ち歸つた。日本は勝つているから、ブラジルの金は當然換えてくれると信じていた。

意氣揚々として横濱港についたまでは、永田勘太郎と同様であつた。ただ違うところは、彼の持つていた金高が、わずかに十五コントス（日本貨約十五万圓）であつたことだ。しかし、この信念派は、昔の貨幣價値のつもりでいるから十五万圓あれば余生を安樂に暮せると考えていた。

しかし、クルゼーロ紙幣にしろ、ペソ貨にしろ、現在流通している貨幣を持つているのは、まだいい方であつた。大部分の永住歸國の信念派は、大部分といつてもさしつかえないほどの人が、ある者は公然と、しかし多くはひそかに、持つてくるのは、舊圓紙幣である。

「戦勝の祖國に歸るには、日本の紙幣を持つて行くのがいい。圓を交換してくれる人を紹介しましょう」

というブローカーが暗躍する。世情にうとい哀れな移民を欺いて、その財産をかすめ、その上、無價値の舊圓紙幣を賣りつけて、その最後の現金を奪い取るのだ。

信念派の永住歸國者は、トランクにつめこんだ舊圓紙幣に輝かしい希望を託して、二ケ月のながい航海をつゞける。「勝ち組」の人々が悲願を果す時である。同船の客には日本敗戦の事實を知つている認識派（負け組）もいる。兩者は、航海の間も、日本の勝敗について、皇室の尊嚴や日本精神ということについて、論爭をつゞける。さもなければ、互いに避け合つて、口もきかない。

途中の寄港地では、上陸を許されないから、まだ勝敗の確證があがらない。しかし、シンガポールに入港すると、信念派の人々は、はじめて不審を感じ、いささか動揺する。

「昭南」は日本の占領下により日の丸の旗がひるがえつているはずである。しかし、これも何かの都合で、日本がそうさせているのだと、しいて自分を納得させる。

こうして、頑迷だが単純であり忠君愛國の思想だけを持つている素朴な人々の、輝かしい夢は、日本の土を踏んだ瞬間に粉砕される。

ロンドンはお祭氣分溢れる

數年前の戰災の都市は一變して明るく輝いて

【ロンドン發】コロネーレヨンを一週間前に控えたロンドン市中にはお祭氣分がみちあふれている。ここ數年前、空爆下にさらされて、無慘な姿を赤裸々に出していた廢墟にひとしいロンドンを記憶している人たちにとつて、きらびやかで朗らかなこのごろのロンドンを見ては驚かないわけには行かぬだろう。戴冠式行列の通路には地方からの、いわゆる「お上りさん」たちとロンドン市民によつて連日大きな人出をきすいている。二階建のバスの窓から首を出して「あれごらん」「これは見事だ」と飾付けを指さしている旗とノボリが微風にはためき夜はこれらの赤、金、緑色を鮮かに照明させて燃え立つている。英連邦各國から、違つた衣服をまとつて市中を歩く『英國市民』を誰一人として不思議さうにふり向く者もないコロネーション氣分は日を追つて增すばかりである。

トロント市下町 旗やのぼりの波

―大型王冠に豆電氣きらめく―

トロントの戴冠式を祝う風物をひろつてみよう――まずカナダの二大百貨店イートンおよびシンプソンのショーウインドには戴冠式に關するものがズラリと出ており、人通りの多いコーナー・ウインドウには巨額の費用でつくつたといわれるウエストミンスター寺院の御製ヒナ形が展示されとくにイートン百貨店の表入口の上部に大きなプラットフォームを組み、その上に直徑十四、五フイートもあろうと思われる王冠に豆電氣が明滅して、きらびやかに飾つてある。兩デパートの窓々からはユニオン・ジャックやカナダ海軍旗がひるがえり、大きなのぼりがあちこちに風にはためいている。大商店や大工場の玄關先は何れもコロネーション・カラーで美しく飾り、中央に『エリザベス・ザ・セコンド・レーン』の頭文字をとつたEIIRが金文字で書かれてある。コロネーションがすめば二大デパートの窓からは國際貿易博出品國の國旗にかわられるはずで、日の丸も昨年同様ひるがえるだろう。

日本最古の寫眞 黒川氏像

ペルリ來日百年記念展に出品

【東京通信】米國のペルリ來日開國百年祭を前に、當時浦賀奉行支配組頭として黒船との連絡役をつとめた黒川嘉兵衛の寫眞が世に出て國會圖書館の記念展に出品される。百年祭關係者の一人評論家木村毅氏も「今のところ日本で最古の寫眞ではないか」といつている。その寫眞は銀板で『一八五四年ブラウン撮影』とブラウンの自署と思われるものがきざまれている。この年は安政六年でペルリ來日の年で、ブラウンはペルリの部下で、有名な「ペルリ遠征記」にもブラウンが嘉兵衛を撮影したことが書いてある。この寫眞の持主は坂東流の踊りの師匠山本麗さん（四八）─藝名坂東三代駒、東京─で、嘉兵衛は大祖父に當る。これまでは同家の佛壇に飾られ門外不出となつていたが、木村氏らの進めで展覧會に出されることになつた。「日本の寫眞技術は開國下田[illegible]寫眞術を習つたのはペルリの死後開國交渉に訪れたハリスの從者ヒュースケンから。嘉兵衛の寫眞はハリス來日以前のものだから、日本人としてカメラに納まつた最初の人は嘉兵衛で、この寫眞が一番古いことになるではないか」というのが木村氏の考證である。嘉兵衛は吉田松陰が日本脱出を、われこそ米艦に投じようとした事件で下田番所に自首、などと取調べに當り唐人お吉をハリスに世話するのに一役買つたことで有名だ

Guest speaker Mr. Robert Duncan, president of Toronto Downtown Ten-Pin Bowling League and one of the foremost ten pin bowlers in Canada, emphasized in his talk the importance of correctal form in ten pin bowling. It is his firm belief that 85% of mastering this game is in the perfection of delivery and footwork. A member of the perfect game "300 club", his talk was a voice of many years of experience.

Individual and team awards were presented by league president A. Takahashi with every team in the league sharing in the cash money prizes. With each point valued at 60¢, Flat Brokers captained by Jack Watanabe who chalked up the highest total with 53 collected $31.80. Runner-up Jim Kitamura's In-Laws with 43 pts. will share $25.80; Sid Kondo's Easy Splits with 40½ pts., $24.30; Geo Kubota's Hurricanes 37 pts., $22.20; Toki Toyama's 35 pts. $21.00; and Roy Kubota's ... 31½ pts., $18.90.

Other individual trophy winners were Terry Oikawa(138), ladies high average, Jack Watanabe(165), men's high average, Sab Kubota(239), high single and Toru Idenouye(566), high triple.

At the closing of the first Nisei ten pin league in Canada, A. Takahashi was once again re-elected as president for the coming season. Other officers assisting him are Geo. Kubota, sec'y-treasurer; Toki Toyama, publicity, and Roy Kubota, scorekeeper.

Tentative plans for the coming season will have the league expanding into a 16-team loop and continuing to function as a mixed league. With the growing interest shown by Nisei in ten pin bowling during the past year, the league officials are already anticipating another successful year in this field of entertainment.

CHAMPIONS OF THE first Nisei Ten Pin League in Canada are the Hurricanes, holders of the Dr. Akaye Challenge Trophy, symbolic of supremacy in the Toronto Ten Pin League. Members are, front, l to r, Kaz Osaka, Kay Okada and Tei Takata; back l to r, George Kubota and Ken Ito.

ALBERTA JCCA NISEIS CLOBBERED IN BOTH ENDS OF TWIN BILL AS 1953 BIG SIX SEASON OPENS

LETHBRIDGE, Alta. — The Alberta JCCA "Niseis" opened their 1953 season of the Alberta Big Six League on a rather damp note when they were scalped 20-18 and 22-6 in a wild scoring twin bill at the hands of the power-packed Picture Butte Indians. The games were played at Lethbridge's Henderson Baseball Park before a small Victoria Day crowd.

The Indians took a 4-3 lead in the first three frames and were never headed. In the next three innings they blew the game wide open as they crossed the plate with 11 runs to pile into an 18-6 bulge. "Niseis", however, rallied in the seventh and eighth for ten runs to narrow the lead to 20-16.

A promising rally was cut short at two runs in the ninth inning when Yo Nishimura lined out to first baseman Howard Branch with two mates aboard.

Charlie Kitaguchi was shelled ... there ... in the 5th, giving way to Jackie Ohno who didn't last ... all ... George Yoshinaka took over to finish the game. Manager Yoshinaka had a perfect day at the plate, going four for four while third sacker Yoho Kimoto picked three Butte hurlers for three bingles including a towering triple off the centre field wall.

The nightcap was strictly no contest as the Butte nine walloped three "Niseis" hurlers for 21 hits and were aided by 10 errors. Charlie Kitaguchi was the big man at the plate, rapping two singles. Starter Jackie Ohno was charged with the loss.

The wild two-game melee produced a startling total of 66 runs, 63 hits and 29 errors.

DIAMOND DUST: "Niseis" followers had little to cheer about throughout the games except for Yoho Kimoto's rousing triple in first tilt ... The "Niseis" entered the game without pitchers Lefty Kimoto and Art Oshiro ... Jackie Ohno was the lone regular chucker with left-fielder Charlie Kitaguchi, third baseman Yoho Kimoto and manager-catcher Yoshinaka coming in to pitch ... Catcher Mike Kanno required two stitches to close a gash on his finger when hit by a foul tip.

CLIMAX OF BOOSTER DRIVE ON JUNE 1

The Westerns Booster Dance will be held on Monday, June 1, at the Masaryk Ballroom, Cowan St. at Queen. The affair is being jointly sponsored by the Toronto JCCA and the Westerns Baseball Club.

Feature of the evening will be the climax of the Westerns Booster Drive.

Music will be supplied by the Manhattan's Orchestra. Admission is $1.00 and dancing continues from 8:30 to 12 p.m. All are welcome.

The Toronto JCCA is handling the details of the Booster Drive this year with supporting groups receiving 35% commission. A sum of $500 is to be alloted to the Westerns Baseball Club for its seasonal expenses. Committee members are hoping for a wide public support of the Drive.

Emerge Without Win In Weekend Fare

The Nisei baseball squads in Toronto's two senior leagues proved luckless in their weekend activity.

Westerns going behind 4-0 in the first frame in a Sunday tilt with West Yorks held the winners scoreless the rest of the game but couldn't come back, losing 4-1 in a regular West Toronto Baseball League fixture. A 3-run homer proved to be the deciding factor.

Meanwhile in the Viaduct League, Best Cleaners paraded three pitchers to the mounds but couldn't stop Hosking Oil Burners' 12-hit attack in losing 11-2.

BAITING THE BULL

(Cont'd from Page 2)

Who in Canada, more than the Nisei, should realize what inconsistencies (the understatement of the year!) can happen to innocent citizens in a free country? Should we ever confuse the evil that caused the evacuation with the good that we made out of it and call the whole thing good? Think twice, because unless we can tell the difference between what is good and what is evil, the full lessons contained in our past twenty years won't be applied to the next twenty.

P.S. If anyone wants to know; I referred D. K. to the Rev. J. E. McCaffery, Rector of Loyola College in Montreal. I wonder if the suggestion was followed through?

Garden Club Hears Talk On Care of Spring Bulbs

The Toronto Garden Club was treated to an informative and enjoyable evening on May 12 when Mr. H. Mcagtain, grounds superintendant of the Sunnybrook Hospital, gave a talk on "Care of Spring Bulbs, Annuals and Perennials".

His collection of colored lantern slides took the members on a tour of garden scenes in England, Scotland, Belgium and back home to Toronto where scenes of private gardens and the extensive and beautifully laid out grounds of Sunnybrook Hospital, were shown.

Some of the members accepted the invitation of the Garden Club of Ontario and visited its flower show at Leaside Memorial Gardens, May 13-14, where an impressive array of flower arrangements and cut flowers was on display.

The flower arrangement class of the club has been divided into two groups because of the large number of pupils. Persons wishing to join these classes are asked to contact Miss Kay Obokata RA. 5970, Miss Yosh Omori GL. 9966, or Mamoru Nishi ME. 2238 immediately as classes have already started.
